HAMPTON ROADS CORPORATE CHALLENGE

The Hampton Roads Corporate Challenge, created in 2016, is a multi-day, multi-sport competition where companies throughout Hampton Roads compete to become the overall Corporate Challenge Champion. It is a two-week competition with 14 different sports in which to participate. Your company earns points by your ranking in each sport. The more events your company enters, the more points you accumulate and the better your chances are winning overall. Businesses also have the opportunities to earn points through our bonus events and charity challenges. We team up with the Foodbank of Southeastern Virginia and the American Red Cross to help raise money, collect food collections, give blood and host blood drives!

HOW IT WORKS

Your company earns points by your ranking in each sport. The more events your company enters, the more points you accumulate and the better your chances are winning overall (**your company does not have to enter every event; you are able to pay per sport**). There will be two divisions based on the number of employees.

- Division I:** 250+ employees
- Division II:** 1-249 employees

Businesses also have the opportunities to earn points through our bonus events and charity challenges. We team up with the Foodbank of Southeastern Virginia and the American Red Cross to help raise money, collect food collections, give blood and host a blood drive!
